

## Update: Care & Connect COVID-19 Initiative

---

Thank you, Trinitarians, for connecting friends and loved ones in need to our Care & Connect COVID-19 Initiative since its launch in 2020.

With the improving economy and job market, our **Info Talks** and **Jobs Connection** will cease on **Tue, Nov 30**. The submission portal for Jobs Connection will also close. We appreciate all who have come forward to contribute.

As a church, we will continue to meet the needs of those around us. Our **Life Fund** will remain open to provide Trinitarians and friends with interim financial assistance. Details are available at [linktr.ee/trinitychristiancentre](https://linktr.ee/trinitychristiancentre) > **Care & Connect COVID-19 Initiative**.
