POWER OF PENTECOST

May 27 & 28

There is nothing like the power of the Holy Spirit!

And that's why we celebrate Pentecost, commemorating that very day in Acts 2 in the Upper Room where the disciples of Jesus had gathered and experienced the baptism of the Holy Spirit, what is commonly known as, power from on high.

What is it about this historical day in the Bible? What does this power mean for our lives as Christians today?

Water BAPTISM

May 27, 8pm

Trinity@Paya Lebar
247 Paya Lebar Rd

Water baptism is a time Christians publicly declare their belief in Jesus Christ as their Lord and Savior.

In Trinity, we conduct water baptism services every other month. No registration is required to attend, simply walk in, all are welcome!

If you wish to get water baptised, come and speak to our pastors.

Come and be blessed as you hear different Trinitarians, young and old, share about their encounters with God and His life-transforming power in their lives.
