Dear Parent,

Congratulations! Your child will be promoting to Pre-Teens on the weekend of Nov 6 & 7. This memo will help you and your child/ward to transit well and look forward to some key highlights in Pre-Teens.

1. Promotion to Pre-Teens

Pre-Teens is a vibrant and exciting place for children in Upper Primary (P4-P6)! It is where they grow deeper in their understanding of God's Word, form long-lasting friendships in Connect Groups, and develop their potential to be God's leaders.

Self-Dismissal:

All Pre-Teens can leave on their own once Sunday School is over. Please inform your child/ward where you would like them to meet you once Sunday School is over.

2. Trinity Academy Classes available to Pre-Teens

STUDY WORD APPLY TRUTH (SWAT)

In SWAT, children will learn how they can study the Word of God and apply Bible truths in their lives. As they allow God's Word to transform them, their walk with Him will never be the same again! It will become exciting and enjoyable.

JUNIOR SPIRITUAL PARENTING (JSP)

At DiscoveryLand, we believe that every child can be leaders of their generation. That's why we love to partner with all parents to see their child arising to be a JSP!

Parents' Memo

In JSP class, children will understand what it means to live out the lifestyle of being a disciple of Christ and setting an example for the rest. As JSPs, they are equipped and encouraged to pursue a deeper relationship with God, and are also given opportunities in DiscoveryLand to serve their peers in word and deed.

Our classes are available twice a year. Keep a look out for more information coming up!

Thank you for your partnership as your child/ward transit into Pre-Teens. We look forward to this exciting faith journey together with him/her.

God bless you and your household!
